

Health Agents for America

# Application for Membership

Health Agents for America, Inc. is currently looking for Agents who plan to be in business post 2014 and plan to survive the Patient Protection and Affordable Care Act.

Now is the time that Agents need strong representation at the State and Nation’s Capitol as Congress and State Legislatures are considering bills that could change or eliminate the Agent Community. HAFA is small enough to offer personal service and powerful enough to lead successful campaigns!
